Bee

I live in a hive and I go from flower to flower eating pollen...

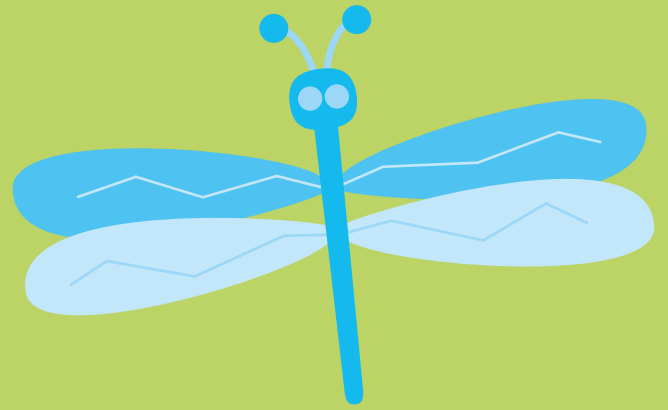

Ant

I can carry leaves and twigs on my back and sometimes I bite...

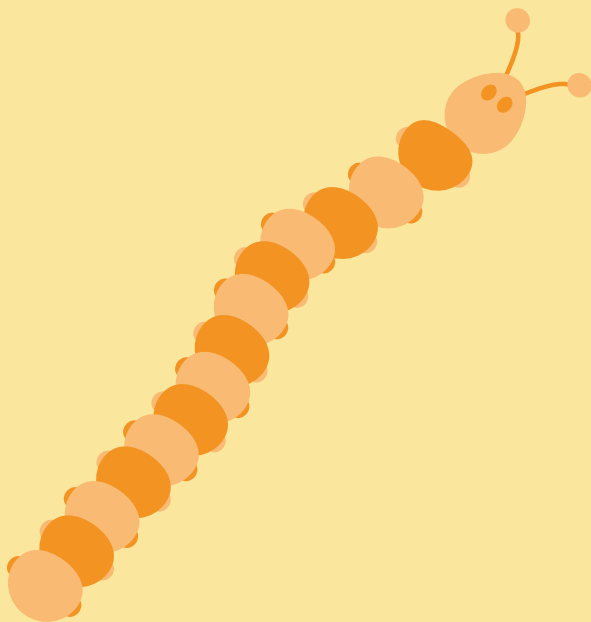

Spider

I make webs to trap flies
and I have eight legs...

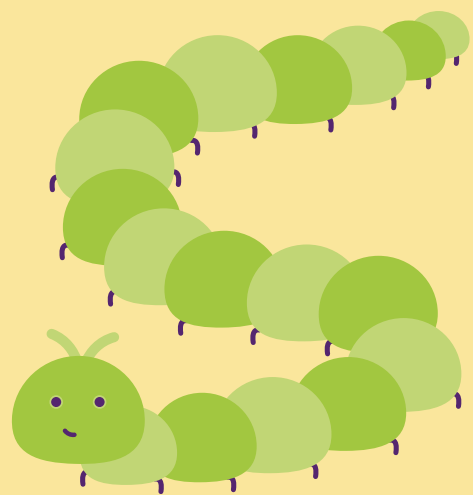

Dragonfly

I live near water and I have
four wings, a long body
and big eyes...

Centipede

I eat small insects and
I have loads of legs...

Caterpillar

One day I will turn into
a beautiful butterfly or
a moth...

Grasshopper

I live in the grass
and I jump about...

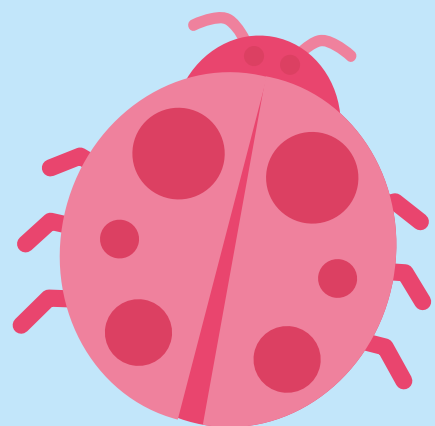

Worm

I have a tube-like body
and I have no eyes or legs...

Wasp

I'm yellow and black,
and I can sting over
and over again...

Ladybird

I'm often red with
black spots...
