No other Aptamil or Cow and Gate products in Lidl GB stores are affected by this recall

Danone is recalling specific batches of Aptamil Infant and Follow On Milk and Cow & Gate Infant Milk due to the possible presence of cereulide (toxin). Symptoms caused by this toxin include nausea, vomiting and abdominal cramps.

If you have bought any of the above products do not feed them to babies.

Any product you see on the shelf is safe for consumption. Any missing products on the shelf will be replenished shortly.

Customers who have already purchased these products can go to [aptaclub.co.uk](https://www.aptaclub.co.uk) or [cgbabyclub.co.uk](https://www.cgbabyclub.co.uk) to check which batches are affected.

If consumers still have product from these batches, they can return them to the store from which they purchased for a full refund with or without a receipt.

If you have any questions, Aptamil Careline team are available on 0800 996 1000 or via the website at <https://www.aptaclub.co.uk> or Cow & Gate Careline team are available on 0800 977 8880 or via the website at <https://www.cgbabyclub.co.uk>

Remove on: 20.03.2026
